

Speaker Request Submission Form

The David Suzuki Foundation is a charitable organization that undertakes mission-specific program work, supported by donors. While staff capacity is limited – and often stretched – our various spokespeople are occasionally able to accommodate speaker requests, when they align with our mission / priority goals and take place in cities where we have offices (Vancouver, Toronto and Montreal).

Before submitting your request, please consider if your project serves our Vision:

“that within a generation, Canadians act on the understanding that we are all interconnected and interdependent with nature.”

Our priority goals relate to: **biodiversity, climate solutions, and environmental rights.**

Please note: Dr. David Suzuki is not available as a speaker.
